LAGOM CABIN - ROMANSBAAI

ABOUT

Since our inception in 1988, Neo Dimensions Architects has been dedicated to pushing the boundaries of South African architecture through a commitment to innovation and quality design. Over the years, we have earned a solid reputation as industry specialists and leaders by prioritizing cost-effective design, meticulous documentation, and efficient project management.

In a recent rebranding effort, we have evolved into Neo Architects, maintaining our core principles while embracing a new vision for company expansion. As we continue our journey, we emphasize not only our expertise in project management but also our passion for architectural design that goes beyond conventional boundaries.

Our architectural designs embodies a synthesis of creativity, functionality, and sustainability. We strive to create spaces that inspire, while focusing on sustainability and a commitment to innovation and quality design. Our approach to architectural design extends beyond aesthetics, focusing on creating environments that enhance the quality of life for those who inhabit them.

Our legacy of successful collaborations with clients is a testament to our commitment to providing exceptional client service. As Neo Architects, we look forward to shaping the future of architecture by pushing the limits of design innovation and delivering spaces that stand as timeless reflections of our dedication to excellence.

PRETORIA

The Pretoria office is led by award-winning architect and founder, Dries Verbeek. Neo Architects Pretoria consists of an experienced Multi-disciplinary design team that has produced a diverse range of projects across South Africa. Their work is recognized through multiple awards and returning clientele.

CAPE TOWN

Directors Jurie Swart and Wim Verbeek head up the newly established Stellenbosch office, with the intent to broaden the company's distinguished architecture across the country and Africa. With their combined experience, awards and eagerness to express their innovative ideas, they aim to establish a niche in the Western-Cape market.
