DOXA DEO CHAPEL - PRETORIA

BUILDING OF THE YEAR NOMINEE 2024

LABOM CABIN - ROMANSBAAI

ABOUT

Founded in 1988, Neo Dimensions Architects has been at the forefront of South African architecture, renowned for our commitment to innovation & quality design. Over the years, we have built a strong reputation as industry leaders, consistently delivering cost-effective solutions, precise documentation and efficient project management.

As part of a recent rebranding effort, we have evolved into Neo Architects, maintaining our core principles while embracing a new vision for company expansion. As we continue our journey, we emphasize not only our expertise in project management but also our passion for architectural design that goes beyond conventional boundaries.

Our designs combine creativity, functionality, and sustainability. We strive to create inspiring spaces while prioritizing sustainable practices and a commitment to quality and innovation. Our approach to architecture goes beyond aesthetics, focusing on crafting environments that enhance the quality of life for those who inhabit them.

Our legacy of successful collaborations with clients is a testament to our commitment to providing exceptional client service. As Neo Architects, we look forward to shaping the future of architecture by pushing the limits of design innovation and delivering spaces that stand as timeless reflections of our dedication to excellence.

PRETORIA

The Pretoria office is led by founder Dries Verbeek along with Marius Snyders, who recently joined NEO as a director and shareholder. Neo Architects Pretoria consists of an experienced team that has produced a diverse range of projects across South Africa. Their work is recognized through multiple awards and returning clients in the property development and institutional spaces.

CAPE TOWN

Directors Jurie Swart and Wim Verbeek head the well-established Stellenbosch office, having expanded the company's reach across the country and into Africa. With their combined experience and innovative approach, they have earned a distinguished reputation, particularly in the Western Cape's property development space. Their passion for pushing creative boundaries has led to numerous accolades and a high profile in the industry.
